

**§ 162.589 May BIA investigate compliance with a WSR lease?**

(a) We may enter the leased premises at any reasonable time, upon reasonable notice, and consistent with any notice requirements under applicable tribal law and applicable lease documents, to protect the interests of the Indian landowners and to determine if the lessee is in compliance with the requirements of the lease.

(b) If an Indian landowner notifies us that a specific lease violation has occurred, we will promptly initiate an appropriate investigation.

**§ 162.590 May a WSR lease provide for negotiated remedies if there is a violation?**

(a) A WSR lease of tribal land may provide either or both parties with negotiated remedies in the event of a lease violation, including, but not limited to, the power to terminate the lease. If the lease provides one or both parties with the power to terminate the lease:

(1) BIA approval of the termination is not required;

(2) The termination is effective without BIA cancellation; and

(3) The Indian landowners must notify us of the termination so that we may record it in the LTRO.

(b) A WSR lease of individually owned Indian land may provide either or both parties with negotiated remedies, so long as the lease also specifies the manner in which those remedies may be exercised by or on behalf of the Indian landowners of the applicable percentage of interests under § 162.012 of this part. If the lease provides one or both parties with the power to terminate the lease:

(1) BIA concurrence with the termination is required to ensure that the Indian landowners of the applicable percentage of interests have consented; and

(2) BIA will record the termination in the LTRO.

(c) The parties must notify any surety or mortgagee of any violation that may result in termination and the termination of a WSR lease.

(d) Negotiated remedies may apply in addition to, or instead of, the cancellation remedy available to us, as speci-

fied in the lease. The landowners may request our assistance in enforcing negotiated remedies.

(e) A WSR lease may provide that lease violations will be addressed by the tribe, and that lease disputes will be resolved by a tribal court, any other court of competent jurisdiction, or by a tribal governing body in the absence of a tribal court, or through an alternative dispute resolution method. We may not be bound by decisions made in such forums, but we will defer to ongoing actions and proceedings, as appropriate, in deciding whether to exercise any of the remedies available to us.

**§ 162.591 What will BIA do about a violation of a WSR lease?**

(a) In the absence of actions or proceedings described in § 162.590(e), or if it is not appropriate for us to defer to the actions or proceedings, we will follow the procedures in paragraphs (b) and (c) of this section.

(b) If we determine there has been a violation of the conditions of a WSR lease, other than a violation of payment provisions covered by paragraph (c) of this section, we will promptly send the lessee and any surety and mortgagee a notice of violation by certified mail, return receipt requested.

(1) We will send a copy of the notice of violation to the tribe for tribal land, or provide constructive notice to Indian landowners for individually owned Indian land.

(2) The notice of violation will advise the lessee that, within 10 business days of the receipt of a notice of violation, the lessee must:

(i) Cure the violation and notify us, and the tribe for tribal land, in writing that the violation has been cured;

(ii) Dispute our determination that a violation has occurred; or

(iii) Request additional time to cure the violation.

(3) The notice of violation may order the lessee to cease operations under the lease.

(c) A lessee's failure to pay compensation in the time and manner required by a WSR lease is a violation of the lease, and we will issue a notice of violation in accordance with this paragraph.
